Taft 306. Pjn this in your hat.

There are a lot of people we will be feeling sorry for about this time next week.

We will tell you next week who's who.

Every body's hollering for Bill.

All you have to do next Tuesday is to make two cross marks on your ballot, one in the circle under the log cabin and the other in the small square opposite Ben Johnson's name. The officers of the election will do the rest.

Taft and Ben Johnson ought to carry this county by 300.

You Taft men and Johnson men had better get to work. Only six more days left of the campaign. Think how short the time is to secure two good men to represent us and take care of our interests in Washington.

Two hot propositions on Bryanism, yes we might say three, are Ed. Gunther and Ben Poindexter, of Owensboro and Henderson Williams, of Hawesville. They can picture the plan of Bryan and his superficial theories, the dangers of "federal usurpation", the domination of the "money power" and "do the people rule" to such perfection that you imagine you are standing face to face with the "Peerless One." They are especially hot on "the guaranty plank."

Why are we for Ben Johnson. For the same reason that we are supporting Taft. He is the better man of the two.

Dave Henry is having more fun out of this campaign than any man in the county. He talks Taft from early morn to late at night and wakes up in the night hollering for him.

Gaddie promises to do something for the churches after the election. The truth about this promise is he can't be found after the election.

Gaddie's friends are telling it around in a quiet way that Ben Johnson is a distiller. There is not a word of truth in this report. Ben Johnson never owned a dollars worth of stock, nor has he been interested in any other way in a distillery in his life. These reports are all spread to influence the temperance vote. The truth of the matter is that the temperance people never had a better friend and never will have than Ben Johnson.

A straw vote taken on the Branch train Monday resulted in 15 for Taft and 16 for Bryan.

We call the attention of our farmer readers to the list of prices of farm products printed on our front page. You know what you are doing now. You don't know what a change of policies in this government would bring about. Our advice is to let well enough alone and stick to your bush. No better friend to the farmer than the Republican party.

Would Mortgage The Farm.

A farmer on Rural Route 2, Empire, Ga., W. A. Floyd by name, says: "Bucklen's Arnica Salve cured the two worst sores I ever saw: one on my hand and one on my leg. It is worth more than its weight in gold. I would not be without it if I had to mortgage the farm to get it." O-ly 25c, at Severs Drug Co.

"BILLY BRYAN."

By REV. HY J. BOATMAN.

[No tune.]

Billy Bryan, Billy Bryan,
Still a-tryin', still a-tryin',
Vainly tryin'.

Thrice before us like a chorus,
Jackass chorus most uproarious,
Tried to floor us.

Billy Bryan, Billy Bryan,
Far too high your kite's a-flyin'—
Wind's a-flyin'.

Cease to mouth us, cease to mouth us
Jackass discords don't affright us,
Only rouse us.

Billy Bryan, Billy Bryan,
Vainly cryin' like one dyin'—
Calf a-dyin'.

Once you'd give us halves for whole
uns—
Silver dollars, them sixteen uns,
For our gold uns.

Billy Bryan, Billy Bryan,
Give up tryin'; quit your tryin'.

Call your "cry" in.
Once you hitched the ass and monkey
Now you'd ride that poor old donkey—
Played out donkey.

Billy Bryan, Billy Bryan,
Forces routed, forces flyin'.

Still you're tryin'!
Still you're pleadin' like a lover,
Oft rejected for another,
Better brother.

Billy Bryan, Billy Bryan,
You're a good un; you're a lion
(Little chained un).
But your roarin' sounds too chaffy—
'Deed it's daffy. Give us Taft-y!
Give us Taft-y!

T-A-F-T!

Campaigning In 1908.

[From the Cleveland Plain Dealer.]

The train comes whizzing down the track
And halts under the cheers,
And on the platform at the back
The candidate appears.

And then the engine hoarsely shrieks
His words are far from plain.
And then the engine hoarsely shrieks
And drags away the train.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

"My dear," began the minister's wife, "there's a hat at the millin'—"
"There you go again," he quickly interrupted. "Always thinking of worldly things."
"But, my dear, you wrong me," she said. "This bonnet is perfectly heavenly."

LETTERS FROM WOMEN

About Pe-ru-na.

MRS. CLARA L. MILLER.

MRS. S. L. JEWELL.

MRS. MAHALA REID.

The following testimonials represent actual experience of every-day life. They are the truthful utterances of women who have been ill and have found a reliable remedy in Peruna.

It means a great deal to the women of America to have at hand a remedy capable of giving such relief. Constipation, rheumatism, kidney trouble, bronchitis and a host of other catarrhal conditions are relieved by Peruna. At least this is what the women say. They have no object in saying such things, except to render truthful testimony to their suffering sisters.

Peruna is making such friends every day. It is the testimony of the people that has made Peruna so justly famous.

Chronic Bronchitis.

Mrs. Clara L. Miller, Box 71, Columbia Sta., Seattle, Wash., formerly vice president of Skoogay Country Club, writes: "Nine bottles of Peruna cured me of a protracted case of bronchitis. There is no superior remedy that I know of, as the action of Peruna on the vasa motor system of nerves is very beneficial. It increases the tone of the system and aids nature to perform her functions."

"I have recommended it to a number of my friends, who speak in the same high terms of it. I have certainly found it a most efficacious medicine."

Nervous, Tired and Weak.

Mrs. Christina Smukalla, 490 Winslow Ave., Buffalo, N. Y., writes: "I trust every one suffering from systemic catarrh will read this and profit by it."

"I was in a very bad condition indeed, when I began to take Peruna, and my friends as well as myself were very much alarmed over my condition. I was always nervous, could not sleep at night, my food did me no good, and I was always tired and weak. I tried several doctors, but found no relief."

"Finally I took two bottles of Peruna and felt like a different woman. However, I did not stop there, but kept on with it until I had taken several bottles, when I felt completely cured, and have remained so ever since. I can eat and sleep now."

A Good Word for Pe-ru-na.

Mrs. S. L. Jewell, R. F. D. 1, Freeport, Pa., writes:

"Having used Peruna myself for many years with beneficial effects, and observing the good it has done others of my acquaintance, I cannot but say a good word in behalf of Peruna."

Keeps Pe-ru-na in the House.

Mrs. Maria Goertz, Orienta, Oklahoma, writes: "My husband, children and myself have used your medicines, and we always keep them in the house in case of necessity. I was restored to health by this medicine, and Dr. Hartman's invaluable advice and books. People ask about me from different places, and are surprised that I can do all of my housework alone, and that I was cured by the doctor of chronic catarrh. My husband was cured of asthma, the daughter of earache and catarrh of the stomach, and my son of catarrh of the throat. When I was sick I weighed 100 pounds; now I weigh 140."

"Dr. Hartman's remedies have proven to be reliable and wonderful. Their effect upon the system is remarkable. Peruna quiets the nerves, and is a great specific for all forms of chronic catarrh. I am very glad to say that I can write you that I am cured in every way of catarrh, with which I had suffered terribly for ten years. I cannot thank you enough for your advice."

Constipation, Kidney Trouble.

Mrs. Mahala Reid, Corbyville, Ont., Canada, writes:

"Your celebrated remedies have been a wonderful boon to me in my old age. I have not been in so good health for several years as now."

"I was troubled with constipation, rheumatism and kidney trouble. A little over two years ago I completely lost my health, becoming almost helpless, when a dear friend sent me your remedies, Peruna and Manalin."

"I began to take them, following the directions on the bottles. I very soon began to feel benefited by their use, and continued to take them."

"I am now completely recovered from the above ailments, in fact, better than I have been for years past."

"I cannot praise the remedies too highly and will always recommend them to others."

Pe-ru-na in Tablet Form.

For two years Dr. Hartman and his assistants have incessantly labored to create Peruna in tablet form, and their strenuous labors have just been crowned with success. People who object to liquid medicines can now secure Peruna tablets, which represent the medicinal ingredients of Peruna. Each tablet is equivalent to one average dose of Peruna.

The Home Paper.

The home paper should be in every home. No children should grow up ignorant who can be taught to appreciate the home paper. It is said to be the stepping stone of intelligence to all those matters not to be found in books. Give your children a foreign paper, which contains not a word about any person, place or thing which they saw or perhaps ever heard of, and how could you expect them to be interested? But let them have the home paper and read of people whom they meet and of places of which they are familiar and soon an interest is awakened which increases with every arrival of the local paper. Thus a habit of reading is formed and those children will read the papers all their lives and become intelligent men and women, a credit to ancestors, strong in knowledge of the world as it is today.

Mother (coming swiftly)—Why, Willie! Striking your little sister?

Willie (doggedly)—Auntie made me. Maiden Aunt—Why, Willie! I said if you did strike her I would never kiss you again!
Willie (still doggedly)—Well, I couldn't let no chance like that slip.

Men Never Know.

Men mourn the lies that women tell—
The cunning, heartless lies—
Her Judas-lips that hide so well
The narrowing of her eyes.
A heart is hers; she seeks to say it—
A soul is hers, she does not weigh it—
The game is called; how well she'll play it!
Her debt is there; she does not pay it.
Men mourn the lies that women tell—
The cunning, heartless lies.
Men do not know the lies they hear—
The brave, heartbroken lies—
Her smiling lips that hide, from fear,
The shadows in her eyes
A heart is hers; for just a while—
A soul is hers; it bears defile—
The game is called; her wit on trial—
Her debt is there; dear God! her smile!
Men do not know the lies they hear—
The brave, heartbroken lies!
—Helen Dudley, in the November Smart Set.
